

FREIGHT BROKERAGE

The Invisible Force Behind Every Mile.

Fast capacity • Trusted carriers • Real-time visibility • 24/7 support

You may not see everything happening behind the shipment.

But you feel when it works.

That is Phantom Freight Network - working behind every mile to connect trusted carriers, secure capacity, solve challenges early, and keep freight moving with confidence.

PHANTOM - The Force Behind the Freight.

WHAT WE HANDLE

From the first call to the final mile.

One connected process. One accountable team.

1

COORDINATE

Right carrier, right timing.

2

PRICE

3

VERIFY

Safety & performance.

4

TRACK

Highway & MacroPoint.

5

SUPPORT

Responsive 24/7.

Why Phantom?

Because your freight deserves more than a truck - it deserves a team behind it.

One load can start the relationship. Consistent performance builds the partnership.

CARRIER ONBOARDING

Get approved. Get connected. Keep moving.

We verify MC authority, insurance, safety, and compliance to maintain a carrier network we can confidently stand behind.

MC & insurance verification • Safety & compliance review • Priority load opportunities

HOW WE WORK

Clear communication. Real accountability.

We stay involved from pickup to delivery, take ownership of the details, and build partnerships through performance - not promises.

Behind the freight. Ahead of the challenge.

PROUDLY VETERAN-OWNED & OPERATED

Service built the discipline. Experience built the business.

Our business partner proudly served six years in the U.S. Army, including deployment, and continues to serve on active duty. That spirit of discipline, responsibility, and commitment shapes how Phantom approaches every partnership and every load.

Built to serve. Committed to deliver. Driven by care.
